Hardy Lilies

THE REGAL LILY

(Lilium Regale)

The above cut was made from a photograph of a plant grown from one bulb which Mr. Joseph H. Perry, 276 Highland Street, Worcester, Mass., planted five years ago.

This wonderful lily from China, perfectly hardy, magnificent flowers, delightfully fragrant. In form the flowers are like the Easter lilies. Center of flower flushed yellow, shading white at outer edge; outside streaked with brown, shaded through almost transparent petals with pearly tint. Bulbs of our growing. 75c each, \$7.50 per dozen.

HENRYI (The Yellow Speciosum). A very beautiful hardy lily from northern China. Plants are of vigorous growth. They frequently attain the height of 6 ft. Each stem carries from 5 to 8 flowers of a rich apricot yellow. Brown spots. 75c each, \$7.50 per dozen.

AURATUM—(Golden Banded Lily of Japan). Immense white flowers, each petal marked with a wide gold band and spotted with maroon. Massachusetts grown bulbs. (See cut last page.) 75c each, \$7.50 per dozen.

SPECIOSUM ALBUM—Large pure white flowers.

SPECIOSUM RUBRUM—White with rich crimson spots.

SPECIOSUM MAGNIFICUM—Rich crimson. The finest of all.

Speciosum Varieties, 40c each, \$4.00 per doz.

CANADENSE—(Canadian Bell Lily). Native, dainty, graceful and charming yellow flowers. 15c each, \$1.75 per dozen.

TUBEROUS ROOTED BEGONIAS

This class of Begonias is the handsomest of all Summer-flowering tuberous-rooted plants. Improvements made in recent years in size, texture and coloring are phenomenal, with flowers measuring from 4 to 6 inches, in a wide range of colors. Particularly useful for planting in window boxes and flower beds where they can be in a semi-shady position. Their culture is simple; they delight in leaf mould and a mulching of well rotted dressing or lawn clippings. Large bulbs in separate colors: Pink, White, Yellow and Crimson. 30c each, \$3.00 per dozen.
